No. S. R. 1363—L. W. 45-46-2. Under Section 12 (4) of the Mysore Labour Act No. XIII of 1942, as amended from time to time, the Government of His Highness the Maharaja of Mysore are pleased to publish for general information, the accompanying report of the Chief Conciliator in Mysore in respect of the failure of the conciliation proceedings on the question of reinstatement of Sri Devaraj, Sizing No. 7 of the Binny Mills (who was discharged from service with effect from 21st September 1944 by the Management under Rule 9 a (1) of the Standing Orders.)

OFFICE OF THE CHIEF CONCILIATOR IN MYSORE.

No. C. C. 40—44-45, dated 28th August 1946.

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
General Department, Bangalore.

Sir,

I have the honour to make the following report under Section 12 (4) of the Mysore Labour Act, relating to a dispute between the Binny Mills Labour Association, Bangalore City and the concerned Mills' Management, in regard to the demand made by this Association, asking for the reinstatement of Sri Devaraj, Sizing No. 7 of the Mills, who was discharged from service with effect from 21st September 1944 by the Management under Rule 9 (a) (1) of the Standing Orders.

2. The President of this Labour Association gave a notice of change to the Managing Director of the Mills, under Section 10 (2) of the Act, setting forth the demand thus :—

"Sri Devaraj, Sizing No. 7 of your Mills represents that on the 21st September 1944 when he went to work he was stopped at the main gate and told that he had been discharged from service.

We are sorry to learn that his appeal to you for reinstatement dated 25th September 1944 has not yet been responded to. We have enquired into his case in detail and are convinced that his offence is not such as to merit dismissal.

Under the circumstances, we request you to be so good as to review his case in consideration of his long service and good conduct and pass orders for his reinstatement."

3. The Assistant Commissioner of Labour, Bangalore Division, tried but could not bring about a settlement between the parties. There upon, the Commissioner of Labour referred this case to this office for initiating conciliation proceedings under Section 10 (3) of the Act.

4. The case was accordingly registered and intimations to the parties were issued. I held conciliation proceedings at Bangalore on the 26th August 1946. The Management was represented by Mr. W. D. Scott, Director, and Mr. D. N. Aspden, Manager of the Mills, while Mr. T. M. Kappanna, Vice-President, Mr. Srinivasan, Secretary, and Mr. Kempa Hanumiah, Treasurer of the Labour Association, represented the Association.

The Assistant Commissioner of Labour, Bangalore Division, (Mr. Zia Mohammed) was also present.

5. At the outset, the facts of the case as disclosed from the records may be briefly stated thus :

6. The abovesaid worker applied for leave of absence. But the Management could not grant the leave. Then the worker stayed away from work and returned to work after the expiry of the leave applied for. On his return, he was given a machine other than the one on which he was working before his going on leave, but the worker refused to work on that machine. The Management dismissed him for disobedience under Standing Orders 9-A (1).

7. Coming to the conciliation proceedings, the Secretary of the Association while explaining the case stated that there was no intention on the part of the worker to disobey but as he felt that he was changed from the Machine as a punishment he refused to work on that machine. He also urged that the punishment was very severe and the case should be reconsidered, and the worker taken back to service.

8. The Management's Representative referred to the facts of the case and stated that as it was a case of flagrant disobedience on the part of this worker, the Management found it necessary to take disciplinary action under the Standing Orders and dismiss him, and that it is not possible to reconsider the case and restore the worker.

9. After further discussion, the Secretary of the Association pressed the demand. The Management regretted their inability to accept.

10. All possible ways of settlement were explored, but the parties did not come to a settlement in the matter. The Proceedings thus ended in failure, which I hereby report.

11. I request that this report may be published in the Gazette, as required under Sub-section 4 of section 12 of the Mysore Labour Act.

I have the honour to be,
Sir,
Your most obedient servant,
NAVANEETHAM,
Chief Conciliator in Mysore.
